

DATA SHEET

SEAM ROLLER

The Hawkeye seam roller is used to ensure proper adhesion between film, sealant and tool. It is constructed with a nylon roller, steel frame and wood handle.

By using the Hawkeye Seam Roller not only will you guarantee adhesion on your part, but you will save time and labor.

NOTE: Technical information furnished by HAWKEYE is based upon laboratory findings and believed to be correct. No warranties of any kind are made except that materials supplied are HAWKEYE standard quality. All risk and liability arising from handling, storage and use of HAWKEYE products, as well as compliance with applicable legal restrictions rests with the buyer.
